BEP. ARENDS ON TIERRA VERDE

White House Handling

Of Cuban News Hit

By GEORGE BARTLETT Of The Times Staff

The American people are en-uled to appear before it. titled to more information about a press conference at the Portn-Call on Tierra Verde.

Congressman Arends, Republican whip and ranking party member of the Armed Services Committee in the House, will be the main speaker at a fund-rais-Cramer of St. Petersburg.

Referring to Friday's disclo sures by John A. McCone, director of the Central Intelligence Agency, concerning the buildur of a Communist subversion or ganization in Cuba, Arends said he was glad McCone put it or the record so the American pen ple would be alerted. The Armed

Services Committee, he said, has been given some intelligence reports, but McCone is not sched-

Arends said he was called to Cuba than they are receiving the White House with others befrom the Kennedy administra-fore the Cuban crisis and told tion, Ren Leslie C. Arends, R. what had taken place, but not what the administration was go-III., said here yesterday during ing to do. In that instance, he said, "the American people were ahead of Congress and Congress was ahead of the administration.

Concerning a statement by Atty. Gen. Robert Kennedy that he is not planning to run for ing dinner for Pinellas County president in 1958, Arends said.
